CFA Report:

Bargaining Update

CFA and the CSU have been certified to Fact-finding. As of this writing, a Fact-finder has not been selected and neither side has selected its Fact-finding team. We would not have the right to take job actions, including a strike, until after the Fact-finding process is complete. In the meantime, we can increase pressure on the Chancellor and let him know that faculty members are prepared to act if a fair settlement is not reached. CFA is proposing a 5% raise for all faculty members for 2015-16, plus a 2.65% SSI ("step increase") for all eligible faculty members.

Many of you (and students, staff, and other campus labor leaders) participated in Informational Picketing on October 20. The SDSU Chapter thanks you for voicing your concerns and your commitment to CFA's bargaining proposal.

In addition, the Chapter thanks all CFA members who voted during our Strike Authorization Vote, October 19-28. The statewide results from that vote will be announced in early November.

As we have done in previous negotiations, we must increase faculty pressure on the Chancellor. Showing the Chancellor that we are prepared to act is necessary. The next action faculty can take, to show the Chancellor and CSU Board of Trustees that our proposal of a 5% GSI for all faculty members and SSIs for eligible faculty is fair and we are willing to fight for it, is to attend the Board of Trustees meeting in Long Beach on Tuesday, November 17. Busses will leave SDSU at 8:15 a.m. on November 17 and return to SDSU at 4:30 p.m. You can contact the CFA office to let us know you will attend the Board of Trustees meeting at cfa@mail.sdsu.edu or x42775.
