

1. CALL TO ORDER

1.1. Land Acknowledgement (Adé)

We stand upon a land that carries the footsteps of millennia of Kumeyaay people. They are a people whose traditional lifeways intertwine with a worldview of earth and sky in a community of living beings. This land is part of a relationship that has nourished, healed, protected and embraced the Kumeyaay people to the present day. It is part of a world view founded in the harmony of the cycles of the sky and balance in the forces of life. For the Kumeyaay, red and black represent the balance of those forces that provide for harmony within our bodies as well as the world around us.

As students, faculty, staff and alumni of San Diego State University we acknowledge this legacy from the Kumeyaay. We promote this balance in life as we pursue our goals of knowledge and understanding. We find inspiration in the Kumeyaay spirit to open our minds and hearts. It is the legacy of the red and black. It is the land of the Kumeyaay.

Eyay e’Hunn My heart is good.

—Michael Miskwish, Kumeyaay Nation

1.2. [SDSU University Senate Resolution on Principles of Shared Governance, April 9, 2019](#)

WHEREAS: Shared governance is a system of partnership, equity, accountability, and ownership that forms a culturally sensitive, inclusive, and empowering framework for developing and implementing sustainable and accountability-based decisions in service to all members of our campus and broader communities; and...

WHEREAS: Shared governance is an ongoing process in which faculty, staff, students, and administrators actively engage to share responsibility for 1) identifying and pursuing an aligned set of mission-driven sustainable outcomes and priorities and 2) active monitoring and evaluating of shared governance successes and pitfalls in service to continual improvement and the embodiment of a learning organization; and...

WHEREAS: A shared practice of, and shared commitment to, respect, communication, and responsibility will promote and support the growth and sustainment of trustworthiness within our University community...

RE: Action Item: CC&E Nominations for Senate Vacancies

Senate seat calculations for the 2024/2025 academic year were not implemented correctly. As a result, a number of College/Units were not allocated additional Senate seats to which they were entitled.

Under Policy File Bylaws 6.2.2, such vacancies are filled first by nominees who received the next highest number of votes in the 2024/2025 elections. If no such nominee is available, the affected electorate may recommend a replacement. Any temporary replacement will serve the remainder of the current term, ending in 2028.

As required by Policy File Bylaws 3.5.2, the Committee on Committees & Elections submits for confirmation by the Senate its nominees for members and chairs of Senate and Senate-appointed university committees.

Nominations to fill vacant Senate seats

Fowler College of Business	Rebecca Perols	Nominated - Complete Term
Student Service Professional - Academic Related	Devon Berkheiser	Nominated - Complete Term

RE: Action Item: Second Reading: Update to the membership of the Committee on Committees and Elections

3.5. Committee on Committees and Elections

3.5.1. Membership (156):

3.5.1.1. Appointed (132): nine faculty senators, one from each academic college, SDSU Imperial Valley, and the Library; three additional faculty, one each from the College of Arts and Letters, the College of Professional Studies and Fine Arts, and the College of Sciences², all selected by their respective college senators; ~~and one staff member~~. These members shall be affirmed by vote of the Senate.

3.5.1.2. Ex-officio (24): **The Senate Secretary, or designee; and the President of Associated Students, or designee; the chair of the Staff Affairs Committee; and the Chair of the Lecturer Affairs Committee.**

3.5.1.3. The term of office shall be for one year and begins at the last regular spring meeting of the Senate; it may be extended.

3.5.1.4. The first meeting of each term shall occur immediately following the last spring meeting of the Senate and the outgoing chair shall chair it. The business of the first meeting shall be to elect a successor to the outgoing chair.

Rationale

This change would increase communication channels and better reflects the actual collaboration between the CC&E, the Staff Affairs Committee, and the Lecturer Affairs Committee in filling Senate Committee seats.

To: SEC / Senate
From: Savanna Schuermann, Chair, Lecturer Affairs Committee (LAC)
Date: January 14, 2025
Subject: ACTION ITEM: Update to Lecturer Affairs Committee (LAC) Charter (Bylaws)

The following updates to the SDSU University Senate Bylaws are brought forth to the Senate **for a second reading** by the Lecturer Affairs Committee. This requires:

- A first reading by the Senate
 - A second reading by the Senate
 - 2/3 approval of the Senate
-

3.11. Lecturer Affairs Committee

3.11.1. Membership (13-20):

3.11.1.1. Ex Officio (13): All Contingent Faculty serving on the SDSU University Senate, including the elected ASCSU Lecturer representative.

3.11.1.2. Appointed (0-7): Up to seven additional at-large Contingent Faculty members from across the university, including Librarian and Student Services Professionals - Academic Related (SSP-AR) faculty members.

3.11.1.3. Members must have a minimum one-year appointment, or have a reasonable expectation that they will be appointed to work during both the fall and spring semesters.

3.11.1.4. Terms for all members shall be three year renewable terms.

3.11.1.5. Quorum requires the presence of at least seven (7) members.

3.11.1.6. No college or unit may have more than 25% of members on the committee at any one time.

~~3.11.1.7. Each year, the chair shall appoint a member of the committee to concurrently serve on the Faculty Affairs Committee.~~

3.11.1.8. A chair shall be elected by members in March of each year to serve for the next academic year.

3.11.2. Functions. The committee shall:

3.11.2.1. Serve as the nominating authority for Contingent Faculty seats to the Senate, Senate Core Committees, Senate Committees, Senate-affiliated Campus Committees, and any other Senate-related appointments designated specifically for Contingent Faculty. Vacancies will be filled in accordance with the policies outlined in the Senate policy file, under Bylaws, section 6.0: Vacancies.

3.11.2.2. Meet ~~regularly~~ a minimum of four times per semester to identify, discuss and organize around campus issues that impact the Contingent Faculty constituency.

3.11.2.3. Develop new policy or make recommendations for revisions to existing policy related to Contingent Faculty affairs.

3.11.2.4. Advocate for the inclusion of the Contingent Faculty constituency as part of the decision making and governance on campus, including identifying and recommending Contingent Faculty for placement on senate and other campus committees.

3.11.2.5. Organize the Senate caucus for Contingent Faculty senators.

3.11.2.6. Engage regularly with the Contingent Faculty constituency.

3.11.2.7. Perform other functions that may be required in service of the Contingent Faculty constituency.

3.11.2.8. Known topics that impact the Contingent Faculty constituency include, but are not limited to:

- Service and work completed outside of the scope of contracted teaching. Inclusion in department meetings, collaborations, and decision-making processes.
- Training.
- Contingent Faculty planning and hiring at the university and departmental levels.
- Collecting Contingent Faculty feedback (e.g. surveys) for collaborative decision making, etc.
- Perform a periodic assessment of Contingent Faculty seats on Senate committees to ensure Contingent Faculty interests are represented on key groups and regarding key issues.
- Make recommendations to the Committee on Committees and Elections (CCE) and/or Senate leadership regarding Contingent Faculty participation on Senate committees.

3.11.3. The Chair (or designee) shall report the business of the committee to the Senate.

RATIONALE:

This revision clarifies that LAC is the nominating authority for contingent faculty seats in the University Senate, including for campus committees that seek affiliation with the Senate. Previous language was unclear, and the section outlining this role of LAC should have been listed under functions, rather than membership. Additionally, we added a detail about the minimum frequency of meetings for clarity and to aid/guide future chairs.

**Resolution in Support of San Diego State University
Faculty on H-1B Visas
1/20/2026**

WHEREAS, in September, 2025 the Executive branch announced a new rule that imposes a \$100,000 fee on new H-1B petitions for workers entering from abroad, thus significantly increasing the cost of hiring faculty on H-1B visas;¹ and

WHEREAS, in October, 2025 the U.S. Department of Homeland Security (DHS) issued a rule ending automatic renewals of work permits for spouses of H-1B visa holders and other categories of legally authorized non-citizens, thus placing dual-career faculty households at risk of income loss and possible lapse of work status;² and

WHEREAS, in December, 2025 the U.S. Department of State announced expanded screening and vetting for all H-1B applicants and their dependents starting December 15, 2025, instructing all applicants for H-1B visas to “adjust the privacy settings on all of their social media profiles to ‘public;’”³ and

WHEREAS, the additional vetting required by new mandatory social-media screening for all H-1B applicants and their dependents has sharply reduced the number of visa interviews that can be conducted at U.S. consulates each day, triggering mass cancellation of interview slots and leaving some H-1B visa holders stranded abroad with their visa renewal appointments suddenly pushed to March 2026 or later;⁴ and

WHEREAS, the above-mentioned changes to H-1B rules cause undue anxiety and distress for San Diego State University faculty members on H-1B visas and their families, affecting individual well-being and exacerbating uncertainty in an already stressful immigration process; and

¹<https://www.whitehouse.gov/presidential-actions/2025/09/restriction-on-entry-of-certain-nonimmigrant-workers/>, <https://www.nytimes.com/interactive/2025/09/25/business/economy/h1b-visa-fee.html>, <https://www.highereddive.com/news/what-college-leaders-know-h1b-visa-fee/805207/>
Before the new policy, employers paid between \$2,000 and \$5,000 for new H-1B petitions.

WHEREAS, the new H-1B policies mean that international faculty who travel abroad may not be able to re-enter the United States in a timely manner,⁵ making it difficult for them to fully participate in global research, conferences, and collaborations that are essential to academic life; and

WHEREAS, the new H-1B policy hinders the ability of international colleagues to visit aging or ill parents and other family, friends, and community abroad;

WHEREAS, the new H-1B rules impose unfair and undue burdens on our international colleagues who contribute in such vital ways to the teaching, research, and service missions of SDSU; and

WHEREAS, more than 10 percent of college professors were born outside the U.S., and nearly one in four scientists and one in five computer programmers are college-educated people from other countries;⁶ and

WHEREAS, the American Association of University Professors warns that the new H-1B policy could lead to “catastrophic setbacks” to U.S. research and urged a federal judge to declare the \$100,000 fee unlawful;⁷ and

WHEREAS, California and 19 other states are suing the administration over its policy to charge employers \$100,000 for each new H-1B visa they request, calling it a threat “not only to major industry but also to public education and healthcare services;”⁸ and

WHEREAS, the new \$100,000 fee for H-1B visas imperils San Diego State University’s ability to recruit international faculty, which would severely curtail research and scientific innovation,⁹ reduce diversity and inclusion, and impede SDSU’s dedication to “preparing global citizens, compassionate leaders, and ethical innovators who will help find solutions to the world’s greatest challenges,”¹⁰ and

New York Times: “About 4.3 million college-educated people working in the United States are citizens of other countries, a number that has nearly doubled over the last two decades, according to Census data. Many of them come from India and China, but some also come from Mexico, Venezuela, the Philippines and elsewhere. Nearly 3 percent of the overall U.S. work force falls into this category, and almost 7 percent of college-educated workers are not American citizens. But the share is much higher in certain occupations: Nearly one in four scientists and one in five computer programmers are college-educated people from other countries. More than 10 percent of college professors were born elsewhere, as were various kinds of engineers, the Census data shows.”

THEREFORE, BE IT RESOLVED, that the SDSU University Senate:

1. stands in solidarity with our colleagues who hold H-1B visas and recognizes their essential role in every aspect of SDSU life;
2. calls upon all SDSU faculty who serve as reviewers for RTP cases to show empathy and understanding to international faculty whose lives and research may have been severely disrupted by the new H1-B rules, and to appropriately support these colleagues as they navigate the new rules.
3. calls upon university leadership to take all possible steps to provide transparent information, clear guidance, and practical support, including legal and financial assistance, to all international faculty affected by the above-mentioned policy changes;
4. encourages President de la Torre to speak publicly about the crucial contributions H1-B faculty make to San Diego State University, and to explain to the broader San Diego community the many ways that curtailing SDSU's ability to recruit international faculty would harm our university and its contributions to the public good;
5. urges the university administration to develop, implement, and communicate a practical plan for providing assistance to international faculty who are unable to return to the United States in a timely manner due to the expanded screening and vetting and related visa interview cancellations;
6. calls on the university administration to permit international faculty who are stranded abroad due to the new H1-B rules to teach all of their courses online until they are able to return to the U.S.;
7. urges the university leadership to be proactive in seeking exemptions from the \$100,000 fee for new hires for whom the university plans to sponsor H-1B visas;¹¹
8. affirms its shared commitment to maintaining an inclusive and globally-engaged academic community, and advocates strongly for the continued hiring of international faculty on H1-B visas.

Rationale:

This resolution is brought forward in response to a series of sudden federal policy changes announced by the Executive branch in Fall 2025 that significantly alter the landscape for H-1B visa holders and the institutions that employ them. Taken together, these changes place substantial financial, logistical, professional, and personal burdens on San Diego State University's international faculty, threaten the university's identity as a globally engaged R1 public institution, and impede its ability to "impart an appreciation and broad understanding of the human experience throughout the world."¹²

¹² <https://catalog.sdsu.edu/content.php?catoid=9&navoid=811>

The SDSU University Senate has both an ethical obligation and an institutional interest in calling attention to the harms caused by these abrupt policy changes, and identifying specific actions that university leadership can take to mitigate the impacts of these new rules. By adopting this resolution, the Senate reaffirms its commitment to safeguarding the well-being and professional success of international faculty and to maintaining SDSU's ability to compete globally to hire exceptional faculty whose contributions are crucial to the university's research, teaching, and service mission.

The Undergraduate Council met December 1, 2025 in AD 101. In attendance were members Brooks, Dean, Lozada-Santone, Preciado, Molina, Pereira, Hansen, Timm, Donyanavard, Torre, Alves.

The Council received standing reports from [Christine Molina](#) on advising and Jose Preciado on our General Studies program. Our AS representatives also provided additional reports requested by the Council on ways to streamline bureaucratic obstacles to undergraduate success, indicating strong desire for an AI-supported system capable of generating multi-semester roadmaps for student course schedules. The Council is happy to note that the UAchieve platform providing this functionality will be implemented at SDSU in Fall 2026.

Upon invitation from AP&P, the Council reviewed the draft [AP&P: Academic Partnership Agreement](#).

It also received updates on the status of several efforts to ensure proper recognition of lecturer faculty in the undergraduate education mission, including a Policy File update co-sponsored with LAC and FAC, which has been returned to FAC for additional work upon recommendation from SEC, as well as the newly launched [CTL Lecturer Teaching Awards](#) due February 6 and the [ExCEL Community Engaged Learning Awards](#), deadline extended to January.

Continuing its conversation of the new CSU [Systemwide Student Success Framework](#), the Council continued to think through various opportunities to mitigate obstacles, including

- updates to first-year seminar curriculum to help students learn to read their degree evaluations
- Updates to the degree evaluation format to support better understanding
- Addressing “GE Bloat” on degree evaluations—i.e., fifty course options listed for each GE requirement
- Addressing redundancy, overwhelm, and divergence in the university student information ecosystem

Finally, the Council received presentations from IS3D students Mark Sotelo, Gianni Grimm, and Allie Smith of their final capstone IS3D presentations, highlighting effective curricular supports for student career preparation and development.

Subject: INFORMATION: AY 26 - 27 Academic Calendar

This is to inform the Senate as per the Policy File (see “Calendar” section below) of final Chancellor’s Office adjustments to the approved AY 26 - 27 academic calendar. [While Senate has in recent years received the academic calendar as an action item for a vote, a review of the policy file indicates that only an information item is required, excepting circumstances which constitute a “deviation” from established rules and norms, which are directed to AP&P.

Calendar

Each Fall (or earlier, if possible), the Associate Vice President for Faculty Advancement and Student Success (in consultation with appropriate campus officers) shall prepare the Academic Calendar for the following year, referencing a) guidelines established by the State of California and b) an approved set of rules, principles, and algorithms to create it; the Calendar shall then be presented to the Senate as an Information item.

However, the Calendar shall be presented for review to the Committee on Academic Policy and Planning for any year in which there are special circumstances that call for deviation from the approved rules, principles and algorithms; the Committee's report shall then be forwarded to the Senate for approval and recommendation to the President.

SDSU Academic/Holiday Calendar

2026-2027 APPROVED 9/02/2025; redline with CO updates 1/16/2026

Note: Updates indicated in ~~red and strikethrough~~ bring calendar into alignment with [CSU pay period rules](#). Impact: loss of two instructional days, reducing total instructional days from 147 to 145, within 145 day minimum established by [CCR Title V § 55701](#).

RE: Information: The Campanile Foundation

See report on following page.

Supporting San Diego State University

Mission Statement

The Campanile Foundation provides San Diego State University with the community expertise, oversight, and advocacy to increase private giving and manage the philanthropic assets of the University.

History of the Campanile Foundation

The Campanile Foundation incorporated as a philanthropic tax-exempt foundation [a 501(c)(3) corporation] and an official auxiliary of San Diego State in August 1999. The Foundation plays an important role in SDSU's long-term strategy and institutional commitment to increase private funding.

To accomplish this goal, The Campanile Foundation and the SDSU Research Foundation have created an operating alliance to implement this philanthropic strategy in the most effective manner. The Campanile Foundation outsources its accounting and account administration functions to the SDSU Research Foundation to prevent the duplication of existing services and expertise that could lead to increases in the cost of administering gifts.

The Foundation has played a key role in helping the endowment surpass the \$500 million mark since its inception. Gifts from corporations, foundations and individuals fuel new and existing initiatives, benefiting students and global communities—thus creating a synergistic cycle.

Board Leadership

Providing leadership to The Campanile Foundation is a Board of Directors made up of highly qualified civic and business leaders, most of whom are San Diego State alumni, who give their personal expertise, time and treasure to support SDSU. Board members are elected for three-year terms, with the exception of a one-year term for student, faculty and alumni representatives.

Julie Dillon, President of Dillon Development, Inc., is the current chair. As volunteer leaders of San Diego State University, board members are expected to demonstrate philanthropic leadership through a personal financial commitment and by actively engaging in the university's fundraising initiatives. In addition, each member serves on a subcommittee that fits their area of interest and serves as an ambassador for the university. Corporate Officers for the Campanile Foundation include President and CEO, Adrienne Vargas; CFO, Travis Clancy; and Secretary, Cynthia Swanson.

Board Structure

The Campanile Foundation Board conducts its business through the following committees:

Executive Committee: Comprised of the Campanile Foundation Board Chair, Chair-elect or Immediate Past Chair and Vice Chairs of each committee. This committee acts with the full authority of the board between meetings and advises the CEO on operations.

Nominating and Governance Committee: Standing committee responsible for identifying and recruiting distinguished community members and evaluating the organizational needs of the Board.

Finance and Investment Committee: Standing committee monitors financial reporting, sets investment policy, and evaluates investment performance.

Audit Committee: Standing committee responsible for oversight of the Foundation's quality and integrity of the financial statements, compliance with legal and regulatory requirements, and the independence and performance of the external auditors.

Government and Community Relations: This special committee is responsible for supporting SDSU's mission through advocacy, issue management, and serving as a liaison with governmental and community entities and external constituencies.

Athletics Committee: This special committee is charged with advising the President and SDSU's Athletic Director on athletic recruiting and to provide fundraising assistance for athletic scholarships, endowment, and capital projects. The committee also works with the Athletics department to help enhance and continuously build competitive programs.

Arts Committee: This special committee is charged with raising awareness, visibility, recognition, and support for SDSU's arts programs, students, and faculty. The committee also assists in implementing arts projects and programs that advance the welfare of the San Diego region that enrich the community with resulting economic and social benefits.

Stewardship Committee: This special committee is charged with determining best practices to steward donors for SDSU.

RE: Information Item: Senate Seat Calculations and Seats for AY26/27 Elections

4.2.3. The number of senators to be elected by a major academic unit as authorized in Sec. 4.0 of the Constitution shall be determined once each year immediately before the regular annual elections.

4.1.1.1. The electorate shall consist of all tenured and probationary members of the faculty, as defined in Bylaws 1.0, representing each of the following constituencies: College of Arts and Letters, Fowler College of Business, College of Education, College of Engineering, College of Health and Human Services, College of Professional Studies and Fine Arts, College of Sciences, Imperial Valley Campus, Library, and Student Service Professionals-Academic Related (SSP-AR).

4.1.1.2. Each of the constituencies outlined above shall elect the number of senators equivalent to nine percent (9%), rounded up to the nearest integer, of its tenured and probationary full time equivalent faculty positions. This method of apportionment shall always yield at least one elected senator for each constituency.

SUBJECT: INFO: Update on AI Item in Annual Senate Agenda

Following approval of the Annual Senate Agenda at the October 2025 Senate meeting, the Senate Chair began informal consultations with various individuals across the campus. These efforts led to two informal group discussions prior to the winter break, and the individuals listed below plan to meet regularly in the spring semester to discuss local campus challenges and opportunities in light of the substantial advances and massive expansion of AI on a global scale. Recommendations and suggestions surfacing from this group will be shared with appropriate shared governance committees (e.g., APP, ITT, etc.) and the appropriate University administrators for further consideration and potential action. The Senate Chair welcomes input, suggestions, resources, etc. from any interested parties to convey to this working group.

Taharka Ade, Senate Vice Chair
Peter Blomgren, Chair, Senate ITT Committee
Joanna Brooks, Associate Vice President, FASS
Todd Butler, Dean, Arts and Letters
Nikole Carter-Curtis, Academic Adviser, School of Communications

RE: Action Item: CC&E Nominations for Senate Vacancies

Senate seat calculations for the 2024/2025 academic year were not implemented correctly. As a result, a number of College/Units were not allocated additional Senate seats to which they were entitled.

Under Policy File Bylaws 6.2.2, such vacancies are filled first by nominees who received the next highest number of votes in the 2024/2025 elections. If no such nominee is available, the affected electorate may recommend a replacement. Any temporary replacement will serve the remainder of the current term, ending in 2028.

As required by Policy File Bylaws 3.5.2, the Committee on Committees & Elections submits for confirmation by the Senate its nominees for members and chairs of Senate and Senate-appointed university committees.

Nominations to fill vacant Senate seats

Fowler College of Business	Rebecca Perols	Nominated - Complete Term
Student Service Professional - Academic Related	Devon Berkheiser	Nominated - Complete Term
Athletics	Danielle Kelly	Nominated - Complete Term
SDSU IV	Shiloh Williams	Nominated - Complete Term

RE: Action Item: Second Reading: Update to the membership of the Committee on Committees and Elections

3.5. Committee on Committees and Elections

3.5.1. Membership (156):

3.5.1.1. Appointed (132): nine faculty senators, one from each academic college, SDSU Imperial Valley, and the Library; three additional faculty, one each from the College of Arts and Letters, the College of Professional Studies and Fine Arts, and the College of Sciences², all selected by their respective college senators; ~~and one staff member~~. These members shall be affirmed by vote of the Senate.

3.5.1.2. Ex-officio (24): **The Senate Secretary, or designee; and the President of Associated Students, or designee; the chair of the Staff Affairs Committee; and the Chair of the Lecturer Affairs Committee.**

3.5.1.3. The term of office shall be for one year and begins at the last regular spring meeting of the Senate; it may be extended.

3.5.1.4. The first meeting of each term shall occur immediately following the last spring meeting of the Senate and the outgoing chair shall chair it. The business of the first meeting shall be to elect a successor to the outgoing chair.

Rationale

This change would increase communication channels and better reflects the actual collaboration between the CC&E, the Staff Affairs Committee, and the Lecturer Affairs Committee in filling Senate Committee seats.

From: Savanna Schuermann, Chair, Lecturer Affairs Committee (LAC)
Date: January 14, 2025
Subject: ACTION ITEM: Update to Lecturer Affairs Committee (LAC) Charter (Bylaws)

The following updates to the SDSU University Senate Bylaws are brought forth to the Senate **for a second reading** by the Lecturer Affairs Committee. This requires:

- A first reading by the Senate
- A second reading by the Senate
- 2/3 approval of the Senate

3.11. Lecturer Affairs Committee

3.11.1. Membership (13-20):

3.11.1.1. Ex Officio (13): All Contingent Faculty serving on the SDSU University Senate, including the elected ASCSU Lecturer representative.

3.11.1.2. Appointed (0-7): Up to seven additional at-large Contingent Faculty members from across the university, including Librarian and Student Services Professionals - Academic Related (SSP-AR) faculty members.

3.11.1.3. Members must have a minimum one-year appointment, or have a reasonable expectation that they will be appointed to work during both the fall and spring semesters.

3.11.1.4. Terms for all members shall be three year renewable terms.

3.11.1.5. Quorum requires the presence of at least seven (7) members.

3.11.1.6. No college or unit may have more than 25% of members on the committee at any one time.

~~3.11.1.7. Each year, the chair shall appoint a member of the committee to concurrently serve on the Faculty Affairs Committee.~~

3.11.1.8. A chair shall be elected by members in March of each year to serve for the next academic year.

3.11.2. Functions. The committee shall:

3.11.2.1. Serve as the nominating authority for Contingent Faculty seats to the Senate, Senate Core Committees, Senate Committees, Senate-affiliated Campus Committees, and any other Senate-related appointments designated specifically for Contingent Faculty. Vacancies will be filled in accordance with the policies outlined in the Senate policy file, under Bylaws, section 6.0: Vacancies.

3.11.2.2. Meet ~~regularly~~ **a minimum of four times per semester** to identify, discuss and organize around campus issues that impact the Contingent Faculty constituency.

3.11.2.3. Develop new policy or make recommendations for revisions to existing policy related to Contingent Faculty affairs.

3.11.2.4. Advocate for the inclusion of the Contingent Faculty constituency as part of the decision making and governance on campus, including identifying and recommending Contingent Faculty for placement on senate and other campus committees.

3.11.2.5. Organize the Senate caucus for Contingent Faculty senators.

3.11.2.6. Engage regularly with the Contingent Faculty constituency.

3.11.2.7. Perform other functions that may be required in service of the Contingent Faculty constituency.

3.11.2.8. Known topics that impact the Contingent Faculty constituency include, but are not limited to:

- Service and work completed outside of the scope of contracted teaching. Inclusion in department meetings, collaborations, and decision-making processes.
- Training.
- Contingent Faculty planning and hiring at the university and departmental levels.
- Collecting Contingent Faculty feedback (e.g. surveys) for collaborative decision making, etc.
- Perform a periodic assessment of Contingent Faculty seats on Senate committees to ensure Contingent Faculty interests are represented on key groups and regarding key issues.
- Make recommendations to the Committee on Committees and Elections (CCE) and/or Senate leadership regarding Contingent Faculty participation on Senate committees.

3.11.3. The Chair (or designee) shall report the business of the committee to the Senate.

RATIONALE:

This revision clarifies that LAC is the nominating authority for contingent faculty seats in the University Senate, including for campus committees that seek affiliation with the Senate. Previous language was unclear, and the section outlining this role of LAC should have been listed under functions, rather than membership. Additionally, we added a detail about the minimum frequency of meetings for clarity and to aid/guide future chairs.

**Resolution in Support of San Diego State University
Faculty on H-1B Visas
1/20/2026**

WHEREAS, in September, 2025 the Executive branch announced a new rule that imposes a \$100,000 fee on new H-1B petitions for workers entering from abroad, thus significantly increasing the cost of hiring faculty on H-1B visas;¹ and

WHEREAS, in October, 2025 the U.S. Department of Homeland Security (DHS) issued a rule ending automatic renewals of work permits for spouses of H-1B visa holders and other categories of legally authorized non-citizens, thus placing dual-career faculty households at risk of income loss and possible lapse of work status;² and

WHEREAS, in December, 2025 the U.S. Department of State announced expanded screening and vetting for all H-1B applicants and their dependents starting December 15, 2025, instructing all applicants for H-1B visas to “adjust the privacy settings on all of their social media profiles to ‘public;’”³ and

WHEREAS, the additional vetting required by new mandatory social-media screening for all H-1B applicants and their dependents has sharply reduced the number of visa interviews that can be conducted at U.S. consulates each day, triggering mass cancellation of interview slots and leaving some H-1B visa holders stranded abroad with their visa renewal appointments suddenly pushed to March 2026 or later;⁴ and

WHEREAS, the above-mentioned changes to H-1B rules cause undue anxiety and distress for San Diego State University faculty members on H-1B visas and their families, affecting individual well-being and exacerbating uncertainty in an already stressful immigration process; and

¹<https://www.whitehouse.gov/presidential-actions/2025/09/restriction-on-entry-of-certain-nonimmigrant-workers/>, <https://www.nytimes.com/interactive/2025/09/25/business/economy/h1b-visa-fee.html>, <https://www.highereddive.com/news/what-college-leaders-know-h1b-visa-fee/805207/>
Before the new policy, employers paid between \$2,000 and \$5,000 for new H-1B petitions.

WHEREAS, the new H-1B policies mean that international faculty who travel abroad may not be able to re-enter the United States in a timely manner,⁵ making it difficult for them to fully participate in global research, conferences, and collaborations that are essential to academic life; and

WHEREAS, the new H-1B policy hinders the ability of international colleagues to visit aging or ill parents and other family, friends, and community abroad;

WHEREAS, the new H-1B rules impose unfair and undue burdens on our international colleagues who contribute in such vital ways to the teaching, research, and service missions of SDSU; and

WHEREAS, more than 10 percent of college professors were born outside the U.S., and nearly one in four scientists and one in five computer programmers are college-educated people from other countries;⁶ and

WHEREAS, the American Association of University Professors warns that the new H-1B policy could lead to “catastrophic setbacks” to U.S. research and urged a federal judge to declare the \$100,000 fee unlawful;⁷ and

WHEREAS, California and 19 other states are suing the administration over its policy to charge employers \$100,000 for each new H-1B visa they request, calling it a threat “not only to major industry but also to public education and healthcare services;”⁸ and

WHEREAS, the new \$100,000 fee for H-1B visas imperils San Diego State University’s ability to recruit international faculty, which would severely curtail research and scientific innovation,⁹ reduce diversity and inclusion, and impede SDSU’s dedication to “preparing global citizens, compassionate leaders, and ethical innovators who will help find solutions to the world’s greatest challenges,”¹⁰ and

⁵ <https://www.rnlawgroup.com/why-travel-became-risky-for-visa-holders-in-2025/>

⁶ <https://www.nytimes.com/interactive/2025/09/25/business/economy/h1b-visa-fee.html>

New York Times: “About 4.3 million college-educated people working in the United States are citizens of other countries, a number that has nearly doubled over the last two decades, according to Census data. Many of them come from India and China, but some also come from Mexico, Venezuela, the Philippines and elsewhere. Nearly 3 percent of the overall U.S. work force falls into this category, and almost 7 percent of college-educated workers are not American citizens. But the share is much higher in certain occupations: Nearly one in four scientists and one in five computer programmers are college-educated people from other countries. More than 10 percent of college professors were born elsewhere, as were various kinds of engineers, the Census data shows.”

¹⁰ <https://catalog.sdsu.edu/content.php?catoid=9&navoid=811>

THEREFORE, BE IT RESOLVED, that the SDSU University Senate:

1. stands in solidarity with our colleagues who hold H-1B visas and recognizes their essential role in every aspect of SDSU life;
2. calls upon all SDSU faculty who serve as reviewers for RTP cases to show empathy and understanding to international faculty whose lives and research may have been severely disrupted by the new H1-B rules, and to appropriately support these colleagues as they navigate the new rules.
3. calls upon university leadership to take all possible steps to provide transparent information, clear guidance, and practical support, including legal and financial assistance, to all international faculty affected by the above-mentioned policy changes;
4. encourages President de la Torre to speak publicly about the crucial contributions H1-B faculty make to San Diego State University, and to explain to the broader San Diego community the many ways that curtailing SDSU's ability to recruit international faculty would harm our university and its contributions to the public good;
5. urges the university administration to develop, implement, and communicate a practical plan for providing assistance to international faculty who are unable to return to the United States in a timely manner due to the expanded screening and vetting and related visa interview cancellations;
6. calls on the university administration to permit international faculty who are stranded abroad due to the new H1-B rules to teach all of their courses online until they are able to return to the U.S.;
7. urges the university leadership to be proactive in seeking exemptions from the \$100,000 fee for new hires for whom the university plans to sponsor H-1B visas;¹¹
8. affirms its shared commitment to maintaining an inclusive and globally-engaged academic community, and advocates strongly for the continued hiring of international faculty on H1-B visas.

Rationale:

This resolution is brought forward in response to a series of sudden federal policy changes announced by the Executive branch in Fall 2025 that significantly alter the landscape for H-1B visa holders and the institutions that employ them. Taken together, these changes place substantial financial, logistical, professional, and personal burdens on San Diego State University's international faculty, threaten the university's identity as a globally engaged R1 public institution, and impede its ability to "impart an appreciation and broad understanding of the human experience throughout the world."¹²

¹² <https://catalog.sdsu.edu/content.php?catoid=9&navoid=811>

The SDSU University Senate has both an ethical obligation and an institutional interest in calling attention to the harms caused by these abrupt policy changes, and identifying specific actions that university leadership can take to mitigate the impacts of these new rules. By adopting this resolution, the Senate reaffirms its commitment to safeguarding the well-being and professional success of international faculty and to maintaining SDSU's ability to compete globally to hire exceptional faculty whose contributions are crucial to the university's research, teaching, and service mission.

The Undergraduate Council met December 1, 2025 in AD 101. In attendance were members Brooks, Dean, Lozada-Santone, Preciado, Molina, Pereira, Hansen, Timm, Donyanavard, Torre, Alves.

The Council received standing reports from [Christine Molina](#) on advising and Jose Preciado on our General Studies program. Our AS representatives also provided additional reports requested by the Council on ways to streamline bureaucratic obstacles to undergraduate success, indicating strong desire for an AI-supported system capable of generating multi-semester roadmaps for student course schedules. The Council is happy to note that the UAchieve platform providing this functionality will be implemented at SDSU in Fall 2026.

Upon invitation from AP&P, the Council reviewed the draft [AP&P: Academic Partnership Agreement](#).

It also received updates on the status of several efforts to ensure proper recognition of lecturer faculty in the undergraduate education mission, including a Policy File update co-sponsored with LAC and FAC, which has been returned to FAC for additional work upon recommendation from SEC, as well as the newly launched [CTL Lecturer Teaching Awards](#) due February 6 and the [ExCEL Community Engaged Learning Awards](#), deadline extended to January.

Continuing its conversation of the new CSU [Systemwide Student Success Framework](#), the Council continued to think through various opportunities to mitigate obstacles, including

- updates to first-year seminar curriculum to help students learn to read their degree evaluations
- Updates to the degree evaluation format to support better understanding
- Addressing “GE Bloat” on degree evaluations—i.e., fifty course options listed for each GE requirement
- Addressing redundancy, overwhelm, and divergence in the university student information ecosystem

Finally, the Council received presentations from IS3D students Mark Sotelo, Gianni Grimm, and Allie Smith of their final capstone IS3D presentations, highlighting effective curricular supports for student career preparation and development.

From: Joanna Brooks, AVP FASS / Undergraduate Council

Date: January 20, 2026

Subject: INFORMATION: AY 26 - 27 Academic Calendar

This is to inform the Senate as per the Policy File (see “Calendar” section below) of final Chancellor’s Office adjustments to the approved AY 26 - 27 academic calendar. [While Senate has in recent years received the academic calendar as an action item for a vote, a review of the policy file indicates that only an information item is required, excepting circumstances which constitute a “deviation” from established rules and norms, which are directed to AP&P.

Calendar

Each Fall (or earlier, if possible), the Associate Vice President for Faculty Advancement and Student Success (in consultation with appropriate campus officers) shall prepare the Academic Calendar for the following year, referencing a) guidelines established by the State of California and b) an approved set of rules, principles, and algorithms to create it; the Calendar shall then be presented to the Senate as an Information item.

However, the Calendar shall be presented for review to the Committee on Academic Policy and Planning for any year in which there are special circumstances that call for deviation from the approved rules, principles and algorithms; the Committee's report shall then be forwarded to the Senate for approval and recommendation to the President.

SDSU Academic/Holiday Calendar

2026-2027 APPROVED 9/02/2025; redline with CO updates 1/16/2026

Note: Updates indicated in ~~red and strikethrough~~ bring calendar into alignment with [CSU pay period rules](#). Impact: loss of two instructional days, reducing total instructional days from 147 to 145, within 145 day minimum established by [CCR Title V § 55701](#).

RE: Information: The Campanile Foundation

See report on following page.

Supporting San Diego State University

Mission Statement

The Campanile Foundation provides San Diego State University with the community expertise, oversight, and advocacy to increase private giving and manage the philanthropic assets of the University.

History of the Campanile Foundation

The Campanile Foundation incorporated as a philanthropic tax-exempt foundation [a 501(c)(3) corporation] and an official auxiliary of San Diego State in August 1999. The Foundation plays an important role in SDSU's long-term strategy and institutional commitment to increase private funding.

To accomplish this goal, The Campanile Foundation and the SDSU Research Foundation have created an operating alliance to implement this philanthropic strategy in the most effective manner. The Campanile Foundation outsources its accounting and account administration functions to the SDSU Research Foundation to prevent the duplication of existing services and expertise that could lead to increases in the cost of administering gifts.

The Foundation has played a key role in helping the endowment surpass the \$500 million mark since its inception. Gifts from corporations, foundations and individuals fuel new and existing initiatives, benefiting students and global communities—thus creating a synergistic cycle.

Board Leadership

Providing leadership to The Campanile Foundation is a Board of Directors made up of highly qualified civic and business leaders, most of whom are San Diego State alumni, who give their personal expertise, time and treasure to support SDSU. Board members are elected for three-year terms, with the exception of a one-year term for student, faculty and alumni representatives.

Julie Dillon, President of Dillon Development, Inc., is the current chair. As volunteer leaders of San Diego State University, board members are expected to demonstrate philanthropic leadership through a personal financial commitment and by actively engaging in the university's fundraising initiatives. In addition, each member serves on a subcommittee that fits their area of interest and serves as an ambassador for the university. Corporate Officers for the Campanile Foundation include President and CEO, Adrienne Vargas; CFO, Travis Clancy; and Secretary, Cynthia Swanson.

Board Structure

The Campanile Foundation Board conducts its business through the following committees:

Executive Committee: Comprised of the Campanile Foundation Board Chair, Chair-elect or Immediate Past Chair and Vice Chairs of each committee. This committee acts with the full authority of the board between meetings and advises the CEO on operations.

Nominating and Governance Committee: Standing committee responsible for identifying and recruiting distinguished community members and evaluating the organizational needs of the Board.

Finance and Investment Committee: Standing committee monitors financial reporting, sets investment policy, and evaluates investment performance.

Audit Committee: Standing committee responsible for oversight of the Foundation's quality and integrity of the financial statements, compliance with legal and regulatory requirements, and the independence and performance of the external auditors.

Government and Community Relations: This special committee is responsible for supporting SDSU's mission through advocacy, issue management, and serving as a liaison with governmental and community entities and external constituencies.

Athletics Committee: This special committee is charged with advising the President and SDSU's Athletic Director on athletic recruiting and to provide fundraising assistance for athletic scholarships, endowment, and capital projects. The committee also works with the Athletics department to help enhance and continuously build competitive programs.

Arts Committee: This special committee is charged with raising awareness, visibility, recognition, and support for SDSU's arts programs, students, and faculty. The committee also assists in implementing arts projects and programs that advance the welfare of the San Diego region that enrich the community with resulting economic and social benefits.

Stewardship Committee: This special committee is charged with determining best practices to steward donors for SDSU.

RE: Information Item: Senate Seat Calculations and Seats for AY26/27 Elections

4.2.3. The number of senators to be elected by a major academic unit as authorized in Sec. 4.0 of the Constitution shall be determined once each year immediately before the regular annual elections.

4.1.1.1. The electorate shall consist of all tenured and probationary members of the faculty, as defined in Bylaws 1.0, representing each of the following constituencies: College of Arts and Letters, Fowler College of Business, College of Education, College of Engineering, College of Health and Human Services, College of Professional Studies and Fine Arts, College of Sciences, Imperial Valley Campus, Library, and Student Service Professionals-Academic Related (SSP-AR).

4.1.1.2. Each of the constituencies outlined above shall elect the number of senators equivalent to nine percent (9%), rounded up to the nearest integer, of its tenured and probationary full time equivalent faculty positions. This method of apportionment shall always yield at least one elected senator for each constituency.

SUBJECT: INFO: Update on AI Item in Annual Senate Agenda

Following approval of the Annual Senate Agenda at the October 2025 Senate meeting, the Senate Chair began informal consultations with various individuals across the campus. These efforts led to two informal group discussions prior to the winter break, and the individuals listed below plan to meet regularly in the spring semester to discuss local campus challenges and opportunities in light of the substantial advances and massive expansion of AI on a global scale. Recommendations and suggestions surfacing from this group will be shared with appropriate shared governance committees (e.g., APP, ITT, etc.) and the appropriate University administrators for further consideration and potential action. The Senate Chair welcomes input, suggestions, resources, etc. from any interested parties to convey to this working group.

Taharka Ade, Senate Vice Chair
Peter Blomgren, Chair, Senate ITT Committee
Joanna Brooks, Associate Vice President, FASS
Todd Butler, Dean, Arts and Letters
Nikole Carter-Curtis, Academic Adviser, School of Communications
