THE PRESIDENT

**MEMORANDUM**

January 6, 2020

To: Mark Wheeler, Chair  
SDSU Senate

From: Adela de la Torre, President

I approve the following actions from the Senate meeting on December 3, 2019.

---

1. The following persons were elected as College Representatives for the General Education Reform Committee:

Rebecca Nowicki (Library)

Allen Gontz (College of Science)

Alyson Abel Mills and Leticia Y Cazares (College of Health and Human Services)

2. Changes to the policy governing Nondiscrimination and Equal Opportunity, brought to the Senate by the Senate Committee on Diversity, Equity, and Inclusion, were adopted.
3. Changes to the policy governing Freedom of Expression, brought to the Senate by the Senate Freedom of Expression Committee, were adopted.
4. The following proposal, pertinent to the Enrollment Management Advisory Group Report, was adopted by the Senate:

The SDSU Administration is authorized to place customized questions in Cal State Apply for the 2022 admissions cycle, and the parental educational attainment question in the main application activated at the same time. The new questions will be in part modeled on UC application questions regarding extra-curricular activities and work, and will also include participation in approved after-school programs. The presence of these questions in 2021 will provide data permitting ASIR to fully analyze the anticipated effects of using these variables in 2022.
