THE PRESIDENT

MEMORANDUM

To: Marcie Bober-Michel, Chair
SDSU Senate

From: Sally Roush, President 

I approve the following actions from the Senate meeting on Dec 5, 2017.

1. Item 7.1 Report of the Committee on Academic Policy and Planning

The Committee approved AP&P's report, which called for adding a new policy for staff about academic misconduct; the change stems from updates to NCAA regulations in this area, and more briefly mirrors Senate-approved revisions to the policy for faculty. Like its counterpart, this new policy is subject to a meet-and-confer with the bargaining before implementation.

University Policies: Staff

5.0 Academic misconduct: Staff shall not provide students with unethical academic assistance, including but not limited to: providing or arranging for the provision of

- (a) copies of a test, an examination, or other course material to any student without the permission of the instructor;
- (b) fraudulent academic credit or false transcripts regarding an individual's academic record; and
- (c) an academic exception that results in a grade change, academic credit, or fulfillment of a graduation requirement when such an exception is not available to all students.

2. Item 7.2 Report of the Committee on Committees and Elections

The Senate approved various appointments or reappointments to Senate Committees, Councils, etc.

3. Item 7.3 Report from Enrollment Services

The Senate approved the list of undergraduate and graduate students who did not apply for graduation on time, and thus did not appear on earlier lists that faculty were asked to review.

4. Item 7.5 Report from Graduate Council

The Senate approved the Graduate Council report, which called for deactivation of the Doctor of Nursing Practice program; no students are affected.
